Database

MySQL

Game Development

C++, C#, Unity, Unreal Engine.

EDUCATION

2013-2014

KRP Matriculation higher secondary school

SSLC

75.2

2015-2016

KRP Matriculation higher secondary school

HSC

68.25

2016-2020

Paavai Engineering College, Anna University, Namakkal.

BE(CSE)

6.7 CGPA

PROFESSIONAL EXPERIENCE

Web Developer

Assisted in the development and maintenance of web applications, focusing on front-end design and functionality.

Implemented responsive layouts using HTML, CSS, and JavaScript, PHP.

Conducted troubleshooting and debugging to identify and resolve technical issues.

Collaborated with senior developers to enhance existing projects and implement new features.

Contributed to code reviews and provided feedback to improve code quality and performance.

Developed and maintained responsive websites and web applications using a combination of front-end and back-end technologies.

Collaborated with cross-functional teams to gather requirements and translate them into technical specifications.

Implemented front-end interfaces using HTML5, CSS3, JavaScript, and PHP to create dynamic and interactive user experiences.

Utilized PHP to streamline development processes and ensure code maintainability.

Integrated back-end functionality with databases like MySQL to store and retrieve data.

Conducted thorough testing and debugging to identify and resolve issues, ensuring the quality and performance of deliverables.
